Report of the Thought Force Committee given the following charge:

Thought Force (ThF) Charge

The Thought Force (ThF) will investigate possible short and long-term consequences if the HAWS area makes changes to the locations for the assemblies. Currently, the HAWS Fall Assemblies rotate between the Hawaii Islands and the Spring Assemblies are held on Oahu. Related to HAWSC 64 GOAL 4 the Thought Force will explore financial consequences for both keeping the rotation as is or for having all assemblies on Oahu for groups, districts, and the Hawaii area of Al-Anon and Alateen.
