

Charge for the Al-Anon Hawaii Area Archives Thought Force

Purpose:

The Archives Thought Force is tasked with evaluating and recommending ways to make our Area's history more accessible to members. This includes reviewing existing archives and proposing a plan for incorporating archival materials onto the Area website.

Responsibilities:

1. **Review Existing Archives** – Assess the current archival materials to determine what should be preserved and how it can be made more accessible.
2. **Website Integration** – Develop recommendations for presenting archival content on the Area website, ensuring accessibility while maintaining confidentiality and anonymity.
3. **Domain Transfer Considerations** – Include recommendations for a smooth domain transfer process from panel to panel, as discussed and approved in the Area meeting on January 21, 2025.
4. **Report Findings** – Present a report with recommendations at an upcoming Area meeting for discussion and potential action.

Charge from the Chair:

This Thought Force is charged with researching and proposing solutions for improving access to Area archives, including digital storage and website integration. The Thought Force will report back at an upcoming Area meeting with their recommendations.

Members:

Jess (Archives Coordinator), Nathan (Web Coordinator), Gayle, 1-2 more members of Al-Anon (possibly past delegates)
