Delegate

- The 2024 Al-Anon Membership Survey will be open from June 20 to July 31, 2024. Please remind all Al-Anon members to take the 10-15 minutes survey and assure them that no personal identifiable information is collected, and it is completely anonymous. See attached flyer.
- At this past Spring Assembly, I said that I would be sharing parts of the Conference that I didn't get to share in my Delegate's Report. One of those things was discussed in the WSO budget presentation at Conference. In a pie chart WSO had broken down various expenses that make up what it cost the WSO per group. Expenses noted were Digital Communications, Community Awareness, Conference & Events, Group Services, International Support, Translation, CAL & Magazine Editing, and Volunteer Oversight. The total cost per Group amounted to \$330.09. Please share this chart with all our GRs, Group Treasurer's, and members. I hope that this chart will help groups determine how they could create a budget that can assist the WSO in meeting their cost per Group. Maybe some groups will be able to break that cost down per month, or per week. Some might suggest an amount per member that they could contribute per week based on the average attendance at their meeting. The Area or Districts might consider such a visual tool to help our members see the actual expenses that each of these levels have over a period of a year. See attached.

Alateen Coordinator/AAPP

- Welcome our new Alateen Coordinator Jane S., and Ruby J., who will be assisting her. The WSO has been notified that Jane is officially our new Alateen Coordinator. Although the WSO can only recognize one primary contact, which is Jane, they are aware that Ruby is assisting her. Thank you both for stepping up to take on this important role. I am happy that we have someone who can devote their time and energy to serving Hawaii Alateen.
