

HAWSC Panel 61  
Archives Coordinator Henrietta Chong  
Report for Fall Assembly 2023

Archives are your Group's records. They include your history and activities.

What, When, Where, Why, and How? are questions members may ask. Some available resources that may be of use in answering these questions are the Al-Anon Guidelines (Area Archives, G-30), Libraries (Books and Newspapers), and Members.

Members may want to meet informally to put together what they have collected. Sharing is always a good thing.

It is never too late to begin preserving your Group's data and it is always a good idea to keep preserving your Group's data.
